Providing Comprehensive Addiction and Mental Health Services

First Step Recovery (FSR) and our affiliate, Travco Behavioral Health (TBH), specialize in addressing addiction and mental health disorders (which can often co-occur) with holistic, evidence-based services—including medication-assisted treatment.

Our experienced clinical team—including board-certified doctors, registered nurses, licensed counselors and addiction specialists—is committed to honoring all paths to recovery.

- **INDIVIDUALIZED TREATMENT MEETS EACH CLIENT'S UNIQUE NEEDS.**
- **HIGHLY-QUALIFIED CLINICAL TEAM OVERSEES ALL ASPECTS OF RECOVERY.**
- **RESEARCH-BASED TECHNIQUES ENHANCE TREATMENT SUCCESS.**

We incorporate the latest research on genetic markers and addiction as well as proven-effective behavioral health techniques for a range of issues, such as depression, anxiety, low self-esteem, excessive anger, grief, abuse and trauma, among others.

After conducting an initial assessment, we develop an individualized, comprehensive treatment plan that includes a blend of services to meet each client's unique needs.
